A Place to Grow

Silverstone Heights has a diverse selection of lot sizes and competitive prices allow you or your organization the freedom to build the type of home you want. It's a place where we grant a certain degree of creative freedom and architectural style to those that wish to make their home truly their own. We do ask that some quality standards must be followed in order to maintain the aesthetic integrity of our neighborhood.

Our subdivision's location proudly offers convenient access to Expressway 281, popular shopping destinations, multiple schools, and The University of Texas Rio Grande Valley. That means every Silverstone Heights resident - from shoppers to scholars - will be able to enjoy all the surrounding area has to offer with ease. We are proud to be a part of such a thriving community and we are ready to welcome you home to Silverstone Heights.

BUILDING GUIDELINES

- Minimum 1,250 square feet of living area
- A minimum of 20% of the exterior of each home shall be comprised of stone, while the remaining 80% may be stucco or brick
